Maria here are some additional selected comments you might consider posting on the share point site. I'm not adept enough with pdf to know how to rename them so they often have the title "comment" which isn't very helpful. But this is what they include listed in order ...

Chlorine Institute

ACC

ASDWA

UCS

Landry et al (11 attorneys general letter – this one includes a lot of references related to the reproducibility crisis)

Senate letter

AWWA

Underwood et al (6 attorney generals letter – there is also a letter from a scientists who works for the NY state AG but I did not attach).
